ST. PATRICK HIGH SCHOOL  
CHICAGO, ILLINOIS

What makes a dedicated individual out of a human being? The many and varied characteristics of man lend their support in molding a personage who grows and develops ultimately for serving his Creator. Love of fellow man, fortitude and courage are necessary qualities to achieve this goal. To many these are hard to come by, but for a special few they are the guideposts of true Christian living. Brother K. Gilbert showed these qualities by his striving to make Saint Patrick High School the best educational institution possible. His timely and dedicated efforts in organizing and running a showcase of learning made him the best possible man for the job. A task such as this could only be accomplished by an expert. Unfortunately God chose to take him in the midst of his duties and show him his eternal reward. With these thoughts in mind and in recognition of his faithful service to St. Pat's the Staff of the *Shamrock* dedicates this yearbook to Brother Gilbert, our departed principal.

Mr. W. S. P. was speaking at the  
 the first of the series of lectures given  
 last night.

Coming to supper Mr. P. was seen  
 talking to Mr. Hester. Ask for a story  
 20. Sister. I am a very good one. We  
 know more than we can tell. It is a very  
 good one.

At 10:00 o'clock Mr. G. H. P. was  
 seen. The pictures of the war  
 are on the wall. Today is the day of  
 war.

HAPPINESS IS . . .

Once again it is proper that we extend our thanks and appreciation to the cafeteria staff for their efforts in providing us with the fine food which is enjoyed by both the faculty and the students

Each in his own way contributes the talents he has in an effort to provide our school with the best in scholastic and social endeavors

The guitarist above has "given his all" and takes a few moments out for a well deserved rest

At left, Brother L. Peter tirelessly and with constant good humor explains proofs and theorms in a manner which is typical of those who take special pride in their work

A wide variety of services are offered to the students at St. Pat's. The nature of these services may be physical or educational and the students are encouraged to make full use of them whenever there is a need for help of this type. Whether it be a sprained wrist or a personal problem help is always within reach

# *gionello!*

Marie Jeanne Graham listens as Dora Corby Edwards tells her the shocking news that Tom has been arrested.

In his room with a sign on the door, Frank Kline gives her the news with Marie.

Ben Marino, Frank Ingo, watches one of Edwards' street corner campaigns with a wary eye.

Thea Barbara Erhardt takes an active interest in the campaign after Mr. Lafayette comes to the aid of the Navy Shirt Waist strikers.

Edwards' office becomes a scene of confusion as more people arrive with new problems.

Morris Dean Stewalter makes a valiant attempt to record the wistful feelings expressed by Marie as she sings 'Marie's Law'.

## THE GREAT SNOW OF '67

## Homecoming Soc-Hop

—October 15, 1966—

Over 2,500 people flocked to the social event at  
the Tiki's and the Peppermints.

# STRANGER IN PARADISE

Held at Ravinia Green Country Club on May 5, the 1967 Senior Prom was a dream come true. Music was provided by Ben Arden and his Orchestra as radiant couples danced through a night of enchantment. Soft lights, sparkling eyes and swirling gowns characterized that never-to-be-forgotten evening. All too quickly the music faded and memories became sweet but misty.

# CHRISTMAS DANCE

—December 22, 1967

A first for St. Patrick, the Christmas Dance was held on Wednesday, December 22 from 8:30 to 11:30 p.m. The switch from our traditional Thanksgiving Dance was necessitated by the fact that the Christmas and Prep League basketball tournament had been moved to the Thanksgiving Holidays.

A welcome pre semester  
 breakfast for sophomores, juniors,  
 and seniors came as our semi-  
 formal Christmas Dance. The  
 gymnasium was festooned with  
 seasonal decorations and color-  
 ful Italian lights, guaranteed to  
 "put you in the holiday  
 mood." Entertainment for the  
 nearly 600 in attendance was  
 furnished by the "Dischords"  
 who provided the "ultimate in  
 pop music." Tickets for the  
 trip to our private "Winter  
 Wonderland" were set at \$3.00  
 per couple.

# SKATING PARTY

If the success of an event is to be measured by the number of persons present, then this year's Roller Skating Party can be designated as one of the biggest successes in the history of the School. The celebration was held at the Hub Roller Rink on October 30. From May Palsmen attended with their dates, as well as individuals, members from other schools. GIRLS: At mid-night it was an evening to be remembered to many.

## SCIENCE FAIR

The annual St. Patrick High School Science Fair was held last week and three participated in it. Our students have been very successful. Approximately one hundred boys exhibited projects, thirty-six of which advanced to the Chicago District Science Fair held at the Armour Institute. Outstanding projects in the district were selected to the State Exposition held at the University of Illinois. Much interest has been stimulated in the science field by Mr. Welker and his faculty committee.

## SHAMROCK STAFF

It's not blood to reach  
 from headlines to the constant  
 companion of a yearbook staff.  
 We're in exception to this.  
 We hope to be a staff given  
 to show what we want and  
 deserve. Our efforts for this  
 yearbook are a reward of satisfied  
 and well-pleased students.

Our thanks and appreciation  
 to Mr. Paul Riley for his dedi-  
 cated efforts in guiding the  
 publication of the yearbook.

## THE CHEERLEADERS

The Cheerleaders, under the direction of Mr. Barrett, have done a terrific job of raising school spirit in their two years of service. The girls, top notch students from surrounding Catholic schools, spend long hours in practice each week, and the results are evident to anyone who has attended any football or basketball game.

### CHORUS

BROTHER LOUIS, MODERATOR

Increased difficulty of surpassing the achievements of recent years has failed to prevent the Chorus from attaining new heights in excellence this year. The Chorus of Notre Dame assisted us at the annual Christmas Concert and the total effect was majestic; a magnificent performance acclaimed by all.

This year the Chorus was under the leadership of Brother Louis. Through his hard work the Chorus has attained another level of unsurpassed excellence.

MR. BLASUCCI, MODERATOR

### DANCE COMBO

The Dance Combo, under the able direction of Mr. Blasucci has proved their worth in this past year. The results of their hard and long hours of practice are exemplified in their fine playing. They did a fine job of playing for the assemblies and in the new recording of the school song.

## HOMECOMING

Homecoming Court - top row, l to r, Miss Peggy Bruce, Homecoming Queen, Miss Carol Slower, Prommers-up, and Miss Corrie Morone; bottom row, Jean McSheehy and Janice Ricci.

## October 14-15, 1966

Beginning Homecoming 1966 festivities was a first for St. Patrick—a Saturday night pep rally to promote student support. On October 14, Patsmen and their ladyfriends crowded the gym to hear football players predict the demise of future opponents, especially St. George.

Our rally paid off. The Shamrocks HIT and HIT hard. St. George's Dragons were roasted, 56—0, in front of an overflowing, but exuberant crowd.

# HOMECOMING

'66

Kicking off the Homecoming Day festivities was the judging and awarding of prizes to decorated cars, at 12 noon, in the school parking lot. A parade was formed that proceeded, under police escort, to Hanson Stadium, Fullerton and Central Avenues

Halftime ceremonies commenced with the presentation of the Homecoming court and the crowning of the 1966 Homecoming Queen, Miss Peggy Bieze of Mother Guerin High. Peggy's escort was Wayne Stephan, the master-of-ceremonies was Dan Ivers

WE ARE THE . . .

The 1966 Shamrocks were one of the finest football teams ever to play at St. Patrick. Under the experienced coaching of Mr. Dempsey and Mr. Hester, the Shamrocks finished the season with a fine 8 and 1 record. The team played brilliant football early in the season defeating Lane, Taft, and Thorton of Harvey. After crushing St. Mel and St. George, the Shamrocks lost a hard fought upset to De LaSalle. They came back with renewed spirit, however, and playing fine football, went on to win the rest of their league games and one post-season game with Spaulding of Peoria, a downstate power

## PINMEN DO WELL IN

The 1966-67 Bowling team under the coaching of Mr. Schultz has had moderate to good success. They are in third place in the CPL, with St. Ignatius and St. Joseph of Westchester holding the number one and two spots. Although the team has some fine bowlers, they were plagued with a lack of consistency.

The Frosh-Soph team holds first place in the CPL. There is fine pride and much determination among them, coupled with good bowling abilities. They are the nucleus of next year's varsity, and they show great promise.

# ACKNOWLEDGMENTS

Time, effort and planning are the essential features of any publication, particularly in the case of a yearbook. Although in many cases these efforts seem futile they do not go unrewarded. Memories and joys of learning are indeed adequate. For these results the staff of the yearbook extends its appreciation to Mr. Paul J. Riley, our moderator, for his invaluable assistance and help in making the book what it is. His dedicated efforts to become an integral part of the actual working force of the staff proved his ability and interest in a school activity.

Our thanks also goes to Mr. Edwin C. Hackleman, the representative from the American Yearbook Company, for his ideas and assistance in the details of the book. Our gratitude to Mr. Leonard Novak whose excellent photography and experience combined to give us the needed pictures. Last but not least we thank the student body for being what it is — the best and finest.
